

**COVER PAGE FOR STUDENT RESEARCH PAPERS  
CTC Science Research Awards Program**

The CTC will judge research papers from the school's Outstanding Senior Science Student and other students. Each paper may be submitted for multiple awards. Awards will be given by American Society for Metals (ASM), American Society for Quality (ASQ), Association for Women in Science of Central Ohio (AWISCO), Institute for Electrical and Electronic Engineers (IEEE), Instrument Society of America (ISA), Chemistry (CTC) and Biology/Life Sciences (CTC). Papers must be submitted, with **a separate cover page for each desired award.**

The research paper is due by March 30, 2012. Please email or mail this cover page(s) and research paper to [al.ehlert@us.schneider-electric.com](mailto:al.ehlert@us.schneider-electric.com).
